Testimonial:

"CKC has changed my sons life in sports, from a bad experience previously, he refused to play. We tried out the free trial CKC offers and I couldn't get him to leave thanks to Coach Susie. She has uplifted his confidence and his skill level! Thanks!"

~ Sherri

Each child will receive personal coaching to encourage excitement about fitness and a desire to play sports for life!

CKC camps are hands-on, non-competitive, **FUN** camps that teach children the fundamentals of sports.
